## CASE STUDIES & WHITE PAPER

### ***CASE STUDIES:***

[Software Development for Company in Computer Hardware Industry](#)

[Software Development for Food Safety Department](#)

[Software Development for Government Sector](#)

### ***WHITE PAPER:***

[Application Development at Congruent](#)

## Leading Multinational Conglomerate Corporation

*“We have worked continually with Congruent since October 2007. Congruent management and ownership have always been committed to open communication and innovative solutions. They have had incredible patience with my staff as we have fumbled our way through a complex project.”*

## An American Self-Service Kiosk Company

### *Commission Management System*

*“...we found your development skills exceptional. The architecture is awesome and we hope will scale to meet the needs of a quickly growing company.”*
